2 July 1973

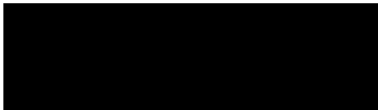

MEMORANDUM FOR: All OSA Elements

SUBJECT : FY 1974 CIA Appropriation

1. OSA has received no official information as to its allotment for FY 74 or as to the status of the CIA appropriation. Likewise, no temporary funding authority of any type has been received. It is however anticipated that a Congressional resolution and an Agency authorization will be received shortly.

2. Until an authority is received we are advised that no large or unusual obligations may be incurred. Accordingly, until further notice availability of funds cannot be certified except for routine items. Large requisitions or other large expenditures must be deferred until a funds authority is received.
